CSS to Phoebus Transition at KIT

Saturday 20 September 2025 14:00 (5 minutes)

Control System Studio has been in use at KIT for over 10 years. After a long preparation period and a technical overhaul of the build and deployment systems, we have now started to actively use Phoebus. While the main paper is submitted to ICALEPCS, this Lightning Talk will give a short summary.

Author: BLOMLEY, Edmund (Karlsruhe Institute of Technology)

Co-authors: STEINMANN, Johannes (Karlsruhe Institute of Technology); GETHMANN, Julian (Karlsruhe Institute of Technology); MARSCHING, Sebastian (aquenous GmbH)

Presenter: BLOMLEY, Edmund (Karlsruhe Institute of Technology)

Session Classification: Lightning talks
