

SPARK 2025 (Symposium on Physics: Advances in Research and Knowledge)

Thursday 16 October 2025 - Friday 17 October 2025

North Lakhimpur University

Scientific Programme

SPARK 2023: List of tracks

Track 01: High Energy Physics and Cosmology

High Energy Physics
Cosmology

Track 02: Electronics, Spectroscopy, Photonics and Computational Physics

Electronics
Spectroscopy
Photonics
Computational Physics

Track 03: Material Science & Nano-science, and Statistical Physics

Material Science & Nano-science
Statistical Physics
Quantum Information Theory

Track 04: Astronomy & Astrophysics, Space & Atmospheric Physics, Plasma Physics, Nuclear Physics and Non-linear Dynamics

Plasma Physics
Nuclear Physics
Non-linear dynamics
Space and Atmospheric Physics
Astronomy and Astrophysics
