

SPARK 2025 (Symposium on Physics: Advances in Research and Knowledge)

Friday, October 31, 2025 - Saturday, November 1, 2025

North Lakhimpur University

Scientific Program

SPARK 2023: List of tracks

Track 01: High Energy Physics, Gravitation and Cosmology

High Energy Physics
Gravitation
Cosmology

Track 02: Electronics & Photonics, Computational Physics, Applied & Engineering Physics

Electronics
Spectroscopy
Photonics
Computational Physics
Applied and Engineering Physics

Track 03: Material Science & Nano-science, Quantum Thermodynamics & Statistical Physics

Material Science & Nano-science
Statistical Physics
Quantum Thermodynamics
Statistical Physics

Track 04: Astronomy & Astrophysics, Space & Atmospheric Physics, Plasma Physics, Nuclear Physics and Non-linear Dynamics

Plasma Physics
Nuclear Physics
Non-linear dynamics
Space and Atmospheric Physics
Astronomy and Astrophysics
