

Session Program

Jul 23 - 25, 2025

Cosmology Summer Fest 2025

Gravitational Waves

Johns Hopkins University, 272 Bloomberg Center for Physics and Astronomy
3701 San Martin Drive Baltimore, MD 21218

Wed, July 23

9:15 AM

Gravitational Waves: Session 1

Session |

Location: Johns Hopkins University, 272 Bloomberg Center for Physics and Astronomy, 3701 San Martin Drive

Co-Chair: Daniela Berti

9:15 - 9:45 AM

Gravitational wave detection with pulsar timing arrays

Speaker

Bruce Allen

9:45 - 10:15 AM

Where are the supermassive black holes measured by PTAs?

Speaker

Gabriela Sato-Polito

10:15 - 10:30 AM

Studying Binary Black Holes and the Universe with Gravitational Waves

Speaker

Michael Kesden

10:30 AM
