

Workshop on Detecting Anomalous GW Signals

Report of Contributions

Contribution ID: 1

Type: **not specified**

Introduction to GW Data

Saturday 29 March 2025 13:00 (20 minutes)

Contribution ID: 2

Type: **not specified**

Introduction to Model: easonyan123

Saturday 29 March 2025 13:20 (40 minutes)

Contribution ID: 3

Type: **not specified**

Introduction to Model: 20iterations

Saturday 29 March 2025 14:00 (40 minutes)

Contribution ID: 4

Type: **not specified**

Application of Machine Learning on the Search of Burst Signal and Multi-Messenger Astronomy

Saturday 29 March 2025 15:00 (1 hour)
