

New Ways to Higher Points

Report of Contributions

Contribution ID: 1

Type: **not specified**

TBA

Monday 29 September 2025 10:00 (40 minutes)

Presenter: Dr CHESTNOV, V.

Session Classification: Field Theory Methods

Contribution ID: 2

Type: **not specified**

TBA

Monday 29 September 2025 10:40 (40 minutes)

Presenter: Dr POKRAKA, A.

Session Classification: Field Theory Methods

Contribution ID: 3

Type: **not specified**

TBA

Monday 29 September 2025 11:50 (40 minutes)

Presenter: Dr HANSEN, T.

Session Classification: Field Theory Methods

Contribution ID: 4

Type: **not specified**

TBA

Monday 29 September 2025 12:30 (40 minutes)

Presenter: Dr BRÖDEL, J.

Session Classification: Field Theory Methods

Contribution ID: 5

Type: **not specified**

TBA

Monday 29 September 2025 13:10 (40 minutes)

Presenter: Dr KLEINSCHMIDT, A.

Session Classification: Field Theory Methods

Contribution ID: 6

Type: **not specified**

Discussion

Monday 29 September 2025 15:00 (2 hours)

Presenter: NN

Session Classification: Field Theory Methods

Contribution ID: 8

Type: **not specified**

TBA

Tuesday 30 September 2025 09:00 (1 hour)

Presenter: Prof. BILLO, M.

Session Classification: Localisation and Integrability

Contribution ID: 9

Type: **not specified**

TBA

Tuesday 30 September 2025 10:30 (40 minutes)

Presenter: Dr PINI, A.

Session Classification: Localisation and Integrability

Contribution ID: **10**

Type: **not specified**

TBA

Tuesday 30 September 2025 11:10 (40 minutes)

Presenter: Dr G. LEFUNDES, G. Ferrando,

Session Classification: Localisation and Integrability

Contribution ID: **11**

Type: **not specified**

TBA

Tuesday 30 September 2025 12:20 (40 minutes)

Presenter: Prof. KRISTJANSEN, C.

Session Classification: Localisation and Integrability

Contribution ID: **12**

Type: **not specified**

TBA

Tuesday 30 September 2025 13:00 (40 minutes)

Presenter: Prof. DRUMMOND, J.

Session Classification: Localisation and Integrability

Contribution ID: **13**

Type: **not specified**

Discussion

Tuesday 30 September 2025 14:45 (3h 15m)

Session Classification: Localisation and Integrability

Contribution ID: **14**

Type: **not specified**

TBA

Wednesday 1 October 2025 09:00 (1 hour)

Presenter: Prof. GREEN, M.

Session Classification: Correlators

Contribution ID: **15**

Type: **not specified**

TBA

Wednesday 1 October 2025 10:30 (40 minutes)

Presenter: Dr WEN, C.

Session Classification: Correlators

Contribution ID: **16**

Type: **not specified**

TBA

Wednesday 1 October 2025 11:10 (40 minutes)

Presenter: Dr KUO, C.

Session Classification: Correlators

Contribution ID: 17

Type: **not specified**

TBA

Wednesday 1 October 2025 12:20 (40 minutes)

Presenter: Dr SHI, C.

Session Classification: Correlators

Contribution ID: **18**

Type: **not specified**

TBA

Wednesday 1 October 2025 13:00 (40 minutes)

Presenter: Dr APRILE, F.

Session Classification: Correlators

Contribution ID: **19**

Type: **not specified**

TBA

Wednesday 1 October 2025 13:40 (40 minutes)

Presenter: Dr BARGHEER, T.

Session Classification: Correlators

Contribution ID: **20**

Type: **not specified**

Discussion

Wednesday 1 October 2025 15:00 (2 hours)

Session Classification: Correlators

Contribution ID: **21**

Type: **not specified**

TBA

Thursday 2 October 2025 09:00 (1 hour)

Presenter: Dr STIEBERGER, S.

Session Classification: Carrollian Physics, Integrability

Contribution ID: 22

Type: **not specified**

TBA

Thursday 2 October 2025 10:30 (40 minutes)

Presenter: Dr RUZZICONI, R.

Session Classification: Carrollian Physics, Integrability

Contribution ID: **23**

Type: **not specified**

TBA

Thursday 2 October 2025 11:10 (40 minutes)

Presenter: Dr LIPSTEIN, A.

Session Classification: Carrollian Physics, Integrability

Contribution ID: **24**

Type: **not specified**

TBA

Thursday 2 October 2025 12:20 (40 minutes)

Presenter: Dr KORCHEMSKY (*), G.

Session Classification: Carrollian Physics, Integrability

Contribution ID: 25

Type: **not specified**

TBA

Thursday 2 October 2025 13:00 (40 minutes)

Presenter: Dr POLVARA, D.

Session Classification: Carrollian Physics, Integrability

Contribution ID: 26

Type: **not specified**

Discussion

Thursday 2 October 2025 14:45 (2h 45m)

Session Classification: Carrollian Physics, Integrability
