

## **Session Program**

**17-18 Jun 2025**

Particle Physics and Instrumentation

**IFCA strategy workshop for future Particle  
Physics Experiments**

***Current and recent group activities***

Gran Hotel Balneario de Puente Viesgo  
Puente Viesgo (Cantabria)

## Tuesday 17 June

14:30

### Current and recent group activities: bloque 1

**Session** | **Location:** Gran Hotel Balneario de Puente Viesgo, Puente Viesgo (Cantabria)

14:30–15:00

#### Status report and future plans: CMS analysis

**Speakers**

ALICIA Calderon, Celso Martinez Rivero

15:10–15:40

#### Status Report and future plans: CMS high-luminosity upgrade

**Speakers**

Dr Gervasio Gomez, Pablo Martinez Ruiz Del Arbol

15:50–16:20

#### Status Report and future plans: DAMIC-M

**Speaker**

Rocio Vilar Cortabitarte

16:30–17:00

#### Status Report and future plans: CADEX

**Speaker**

Dr Bradley Kavanagh

17:10

## Wednesday 18 June

09:10

### Current and recent group activities: bloque2

**Session** | **Location:** Gran Hotel Balneario de Puente Viesgo, Puente Viesgo (Cantabria)

09:10–09:40

#### Status Report on Medical Physics

##### Speaker

Alberto Arteche Gonzalez

09:40

10:10

### Current and recent group activities: bloque 3

**Session** | **Location:** Gran Hotel Balneario de Puente Viesgo, Puente Viesgo (Cantabria)

10:10–10:40

#### Overview of R&D activities for future collider experiments

##### Speaker

Prof. Ivan Vila Alvarez

10:50
