

Session Program

17-18 Jun 2025

Particle Physics and Instrumentation

IFCA strategy workshop for future Particle Physics Experiments

Invited talks

Gran Hotel Balneario de Puente Viesgo
Puente Viesgo (Cantabria)

Wednesday 18 June

09:50

Invited talks: bloque 1

Session | **Location:** Gran Hotel Balneario de Puente Viesgo, Puente Viesgo (Cantabria)

09:50–10:10

The Moving Target: Direct Detection in the Light Dark Matter Landscape

Speaker

Robert McGehee

10:10

11:15

Invited talks: bloque 2

Session | **Location:** Gran Hotel Balneario de Puente Viesgo, Puente Viesgo (Cantabria)

11:15–11:35

ILD A multi-purpose detector concept

Speaker

Ties Behnke

11:45–12:15

FCC (and CEPC) projects

Speaker

Juan Alcaraz Maestre

12:15
