

Session Program

15-16 Sept 2025

CCP-TEPP Knowledge Exchange Workshop for Computational Theoretical and Experimental Particle Physics

***Software maintainability, code quality, and
testing of particle physics software***

Daresbury Labs, Daresbury Laboratory, Cheshire, Brunner-Mond

Monday 15 September

15:50

Software maintainability, code quality, and testing of particle physics software

Session | **Location:** Daresbury Labs, Daresbury Laboratory, Cheshire, Brunner-Mond | **Convener:** Christian Gutschow

15:50–16:20

25 years of particle physics computation

Speaker

Jens Jensen

16:20–16:50

Better software for Particle Physics

Speaker

Ilektra Christidi

16:50–17:00

Panel Q&A

Speakers

Ilektra Christidi, Jens Jensen

17:00
