Survey on the Contribution of APCTP Academic Programs to Theoretical Physics Research Activities **(August)**

Greetings from the Asia-Pacific Center for Theoretical Physics.
The Asia-Pacific Center for Theoretical Physics (APCTP) conducts monthly surveys on satisfaction and awareness of academic programs held in August 2026.

This survey will be used as preliminary data to improve the academic program plan in the future by grasping the satisfaction and awareness of the program you participated in, so I would appreciate it if you could take a moment to respond to the survey even if you are busy.
