

**18th International Conference on  
Resistive Plate Chambers and Related Detectors  
Rio de Janeiro, Brazil, from September 14-18, 2026**

Rio de Janeiro, June 24<sup>th</sup>, 2026

**Subject: Fourth Bulletin - Extension of the Abstract Submission Deadline for RPC 2026**

Dear colleagues,

We are pleased to provide an update regarding the 18th International Conference on Resistive Plate Chambers and Related Detectors (RPC 2026), to be held in Rio de Janeiro (Brazil) from September 14-18, 2026.

To provide additional time for submitting contributions, the Local Organizing Committee has extended the abstract submission deadline by one week. The new deadline for submitting abstracts for both talks and posters is July 1st, 2026.

We encourage all interested participants to take advantage of this extended period to finalize and submit their abstracts via the conference portal at <https://rpc2026.uerj.br/>. As a reminder, abstract submission is independent of conference registration, and we ask that all presenters ensure they are registered for the event.

We look forward to receiving your contributions and welcoming you to Rio in September. For any questions, please contact the organizers at [info.rpc2026@uerj.br](mailto:info.rpc2026@uerj.br).

Best regards,

**Dr. Sandro Fonseca de Souza and Dr. Gilvan Augusto Alves**

**Chairs of the Local Organizing Committee of the RPC 2026 Conference**
