

IAS Program on Fundamental Physics (FP 2026)

Contribution ID: 796

Type: **not specified**

Axion Modulations Save Large Field Inflation and Produce Nanohertz Gravitational Waves

Monday, 12 January 2026 14:00 (20 minutes)

Author: NG, Kin-Wang (Academia Sinica)

Presenter: NG, Kin-Wang (Academia Sinica)

Session Classification: Conference: Parallel Sessions (Particle Phenomena)
