

Session Program

19-23 Jan 2026

Cosmic Origins and the Search for New Physics

Anchoring The Universe at Characteristic Redshifts and Measurement of the Hubble Parameter.

Indian Institute of Technology Madras, Research Park, Saha and Sarabhai Auditoriums
IITM RESEARCH PARK Kanagam, Tharamani, Chennai, Tamil Nadu 600113

Friday 23 January

14:00

14:30

Anchoring The Universe at Characteristic Redshifts and Measurement of the Hubble Parameter.: Anjan Ananda Sen

Session |

Location: Indian Institute of Technology Madras, Research Park, Saha and Sarabhai Auditoriums, IITM RESEARCH PARK Kanagam, Tharamani, Chennai, Tamil Nadu 600113
