

## **Session Program**

**19-23 Jan 2026**

# **Cosmic Origins and the Search for New Physics**

## ***Gravitational Wave Signature and the Nature of Neutrino Masses: Majorana, Dirac, or Pseudo-Dirac?***

Indian Institute of Technology Madras, Research Park, Saha and Sarabhai Auditoriums  
IITM RESEARCH PARK Kanagam, Tharamani, Chennai, Tamil Nadu 600113

## Monday 19 January

16:20

16:40

### **Gravitational Wave Signature and the Nature of Neutrino Masses: Majorana, Dirac, or Pseudo-Dirac?: Sudip Manna**

**Session** |

**Location:** Indian Institute of Technology Madras, Research Park, Saha and Sarabhai Auditoriums, IITM RESEARCH PARK Kanagam, Tharamani, Chennai, Tamil Nadu 600113
