

**Session Program**

**Sep 7 - 11, 2026**

**15th International Workshop on the Physics  
of Excited Nucleons**

***Parallel session A***

# Mon, September 7

3:00 PM

## Parallel session A

**Session** | **Location:** Hotel Ribera de Triana - Sevilla Pl. de Chapina, S/N, 41010 Sevilla

3:00 - 3:30 PM

### Baryon properties using functional methods

**Speaker**

Dr Zhao Qian Yao

5:00 PM

5:30 PM

## Parallel session A

**Session** | **Location:** Hotel Ribera de Triana - Sevilla Pl. de Chapina, S/N, 41010 Sevilla

5:30 - 6:00 PM

### Hadron charges and sizes

**Speaker**

Daniele Binosi

7:30 PM

## Tue, September 8

3:00 PM

### Parallel session A

**Session** | **Location:** Hotel Ribera de Triana - Sevilla Pl. de Chapina, S/N, 41010 Sevilla

**3:00 - 3:30 PM** **Emergence of mass in the gauge sector of QCD**

**Speaker**

Joannis Papavassiliou

5:00 PM

5:30 PM

### Parallel session A

**Session** | **Location:** Hotel Ribera de Triana - Sevilla Pl. de Chapina, S/N, 41010 Sevilla

**5:30 - 6:00 PM** **Quark model review of baryon dynamics**

**Speaker**

Elena Santopinto

7:30 PM

## Wed, September 9

9:00 AM

### Parallel session A

**Session** | **Location:** Hotel Ribera de Triana - Sevilla Pl. de Chapina, S/N, 41010 Sevilla

11:00 AM

9:00 - 9:30 AM

### Continuum Schwinger Method analysis of few body problems

**Speaker**

Gernot Eichmann

## Thu, September 10

3:00 PM

### Parallel session A

**Session** | **Location:** Hotel Ribera de Triana - Sevilla Pl. de Chapina, S/N, 41010 Sevilla

3:00 - 3:30 PM

**Coupled channel dynamics for baryon resonances from Lattice QCD**

**Speaker**

John Bulava

5:00 PM

5:30 PM

### Parallel session A

**Session** | **Location:** Hotel Ribera de Triana - Sevilla Pl. de Chapina, S/N, 41010 Sevilla

5:30 - 6:00 PM

**Baryon structure from lattice QCD**

**Speaker**

Sara Collins

7:30 PM
