**Session Program**

**Oct 27 – 29, 2025**

# Good $\nu$'s: Neutrino Physics at a Muon Collider

## *Detector*

# Tue, October 28

10:30 AM

## Detector
**Session**

10:30 – 11:00 AM **Detector considerations for nu's at a MuCol facility**

**Speaker**
Jae Yu

11:00 – 11:30 AM **TeV collider neutrinos: from the LHC to the Muon Collider**

**Speaker**
Max Fieg

11:30 AM – 12:00 PM
**Detecting TeV Neutrinos at a Muon Collider: Lessons from Cosmic Neutrino Experiments**

**Speaker**
Dr Victoria Parrish

12:00 PM
