

**Session Program**

**27-29 Oct 2025**

**Good  $\nu$ 's: Neutrino Physics at a Muon Collider  
*Beam***

## Tuesday 28 October

14:00

### Beam Session

14:00-14:30

#### Fermilab Accelerators and Demonstrator Concept

##### Speaker

Bob Zwaska

14:30-15:00

#### Machine-Detector Interface and Detector Considerations for Neutrinos at a Muon Collider

##### Speaker

Kiley Elizabeth Kennedy

15:00-15:45

#### Discussion session: Collider Considerations and Beam

##### Speakers

Isobel Ojalvo, Lawrence Lee Jr

15:45
