

## **Session Program**

**29 June 2026 to 3 July 2026**

## **GeomGravX: 10 Years of Geometric Foundations of Gravity and eXtensions (in Tartu)**

***Mariam Bouhmadi-López: TBA***

Physicum, University of Tartu, A106  
W. Ostwaldi 1, Tartu

## Monday 29 June

09:15

### **Mariam Bouhmadi-López: TBA: Modified Gravity or Dark Energy as the Drivers of the Late-Time Acceleration of the Universe?**

**Session** | **Location:** Physicum, University of Tartu, A106, W. Ostwaldi 1, Tartu

09:15-10:05

### **Modified Gravity or Dark Energy as the Drivers of the Late-Time Acceleration of the Universe?**

**Speaker**

Dr Mariam Bouhmadi-López

10:05
