

## **Session Program**

**29 June 2026 to 3 July 2026**

## **GeomGravX: 10 Years of Geometric Foundations of Gravity and eXtensions (in Tartu)**

***Manuel Hohmann: Gravity actions and symmetry breaking using Clifford algebras***

Physicum, University of Tartu, A106  
W. Ostwaldi 1, Tartu

## Tuesday 30 June

11:00

### **Manuel Hohmann: Gravity actions and symmetry breaking using Clifford algebras**

**Session** | **Location:** Physicum, University of Tartu, A106, W. Ostwaldi 1, Tartu

11:25

11:00-11:25

### **Gravity actions and symmetry breaking using Clifford algebras**

**Speaker**

Manuel Hohmann
