

Session Program

29 June 2026 to 3 July 2026

GeomGravX: 10 Years of Geometric Foundations of Gravity and eXtensions (in Tartu)

María-José Guzmán: Numerical relativity and hyperbolicity in teleparallel gravity

Physicum, University of Tartu, A106
W. Ostwaldi 1, Tartu

Wednesday 1 July

10:35

María-José Guzmán: Numerical relativity and hyperbolicity in teleparallel gravity

Session | **Location:** Physicum, University of Tartu, A106, W. Ostwaldi 1, Tartu

11:00

10:35-11:00

Numerical relativity and hyperbolicity in teleparallel gravity

Speaker

Maria Jose Guzman
