

Session Program

29 June 2026 to 3 July 2026

GeomGravX: 10 Years of Geometric Foundations of Gravity and eXtensions (in Tartu)

Martin Krššák: Teleparallel regularization of the gravitational action

Physicum, University of Tartu, A106
W. Ostwaldi 1, Tartu

Wednesday 1 July

11:00

Martin Krššák: Teleparallel regularization of the gravitational action

Session | **Location:** Physicum, University of Tartu, A106, W. Ostwaldi 1, Tartu

11:25

11:00-11:25

Teleparallel regularization of the gravitational action

Speaker

Martin Krssak
