

Session Program

29 June 2026 to 3 July 2026

GeomGravX: 10 Years of Geometric Foundations of Gravity and eXtensions (in Tartu)

Christian Pfeifer: Unified field theories from cotangent bundle geometry: The Einstein Maxwell Equations

Physicum, University of Tartu, A106
W. Ostwaldi 1, Tartu

Wednesday 1 July

11:25

Christian Pfeifer: Unified field theories from cotangent bundle geometry: The Einstein Maxwell Equations

Session | **Location:** Physicum, University of Tartu, A106, W. Ostwaldi 1, Tartu

11:25-11:50

Unified field theories from cotangent bundle geometry: The Einstein Maxwell Equations

Speaker

Christian Pfeifer

11:50
