

Neutrino 2026: XXXII International Conference on Neutrino Physics and Astrophysics

Sunday 21 June 2026 - Friday 26 June 2026

University of California, Irvine

Scientific Programme

Accelerator Neutrinos

Astrophysical Neutrinos

Atmospheric Neutrinos

Beyond the Standard Model

Geoneutrinos

Neutrino Interactions

Neutrino Mass

Neutrino Oscillations

Neutrinos in Cosmology

Neutrinoless Double Beta Decay

New Technologies for Neutrino Physics

Reactor Neutrinos

Solar Neutrinos

Sterile Neutrinos

Supernova Neutrinos

Theory and Phenomenology of Neutrino Masses and Mixing
