

Session Program

Mar 17 - 19, 2026

Foundations of General-Relativistic Gauge Field Theory

Contributed Talk

Politecnico di Torino, Room Buzano, at DISMA, 3rd floor
Corso Duca degli Abruzzi, 24, 10129 Torino (TO), Italy

Tue, March 17

3:00 PM

Contributed Talk: Soft charges in 3D Maxwell theory at null infinity and horizons

Session |

Location: Politecnico di Torino, Room Buzano, at DISMA, 3rd floor, Corso Duca degli Abruzzi, 24, 10129 Torino (TO),

Co-organizer: Olivera Mišković

3:30 PM

4:00 PM

Contributed Talk: A Journey through Higher-Derivative Models in Contemporary Field Theory

Session |

Location: Politecnico di Torino, Room Buzano, at DISMA, 3rd floor, Corso Duca degli Abruzzi, 24, 10129 Torino (TO),

Co-organizer: Ronaldo Thibes

4:30 PM

4:30 PM

Contributed Talk: From generalized principal connections to generalized Yang-Mills theories

Session |

Location: Politecnico di Torino, Room Buzano, at DISMA, 3rd floor, Corso Duca degli Abruzzi, 24, 10129 Torino (TO),

Co-organizer: Hartwig Winterroth

5:00 PM

5:00 PM

Contributed Talk: Gravity is gauge? A unification perspective

Session |

Location: Politecnico di Torino, Room Buzano, at DISMA, 3rd floor, Corso Duca degli Abruzzi, 24, 10129 Torino (TO),

Co-organizer: Priidik Gallagher

5:30 PM

5:30 PM

Contributed Talk: Classical gauge theories and gravity

Session |

Location: Politecnico di Torino, Room Buzano, at DISMA, 3rd floor, Corso Duca degli Abruzzi, 24, 10129 Torino (TO),

Co-organizer: Sebastian Brezina

6:00 PM

Wed, March 18

5:30 PM

Contributed Talk: Conserved Charges in Asymptotically Locally AdS Spacetimes via the Katz Method

Session |

Location: Politecnico di Torino, Room Buzano, at DISMA, 3rd floor, Corso Duca degli Abruzzi, 24, 10129 Torino (TO),

Co-organizer: Nelson Merino

6:00 PM

6:00 PM

Contributed Talk: Holographic thermal propagator from modularity

Session |

Location: Politecnico di Torino, Room Buzano, at DISMA, 3rd floor, Corso Duca degli Abruzzi, 24, 10129 Torino (TO),

Co-organizer: Katarina Trailović

6:30 PM

Thu, March 19

5:30 PM

Contributed Talk: Gauge-Invariant Renormalisation Group Flows

Session |

Location: Politecnico di Torino, Room Buzano, at DISMA, 3rd floor, Corso Duca degli Abruzzi, 24, 10129 Torino (TO),

Co-organiser: Paul Philip Sprenger

6:00 PM

6:00 PM

Contributed Talk: The autoparallel equations with non-metricity as Finsler geodesics

Session |

Location: Politecnico di Torino, Room Buzano, at DISMA, 3rd floor, Corso Duca degli Abruzzi, 24, 10129 Torino (TO),

Co-organiser: Lehel Csillag

6:30 PM
