

# Brera Observatory's historical instruments gallery

<https://museoastronomico.brera.inaf.it/en/>

Logistic:  
we will meet at the main entrance of  
Brera palace (via Brera 28) at 10.30

Useful metro stops are:

Lanza (M2-green line)

Montenapoleone (M3-yellow line)

But any stop of the M1 (red line) close to Duomo  
(San Babila, Duomo, Cordusio) are at walk distance

- Please, be on time!
- I will tell you something about the building and the many institutions it hosts.
- Dr. Ginevra Trinchieri (Brera Obs.) will be waiting us at 11.
- There are many steps to go up (and down) to reach the observatory (no elevator!).
- If you get lost, drop me an email ([mario.zannoni@unimib.it](mailto:mario.zannoni@unimib.it))
