Exact Renormalization Group Proceedings

ERG 2026 — Proceedings

PROCEEDINGS

To punctuate the evolution of the ERG community and to celebrate our collective progress, we plan a proceedings to ERG2026:

- Published in **Proceedings of Science** (PoS)
- Up to 6 pages for posters and parallel talks, 12 pages for plenary talks
- **Deadline: Friday, 20 November 2026**
- Details will be circulated to participants after the conference.

♥ THANK YOU, ERG2026

See you all in two years in Heidelberg!

Thank you to every speaker, poster presenter, and participant for making ERG2026 such a wonderful conference.
