

Dark Side of the Universe 2026

Monday, 14 December 2026 - Friday, 18 December 2026

Scientific Programme

Track 1 - Early universe and inflation

Track 2 - Dark energy and dark matter from string theory

Track 3 - Large scale structure and dark ages

Track 4 - Dark Matter: theoretical models, astrophysical signatures and detection techniques

Track 5 - Gravitational waves

Track 6 - Neutrino cosmology and its interplay with dark matter and dark energy

Track 7 - Dark Energy: theory and observations
