29 June 2026 to 3 July 2026

CCP-TEPP Summer School 2026

Workshop

Swansea University, Singleton Park Campus

Monday 29 June

09:30

Workshop: Automated testing of particle physics software

Session | **Location:** Swansea University, Singleton Park Campus | **Conveners:** Andrew Lister, Benjamin Morgan

12:00

14:00

Workshop: Workflow management for particle physics data analysis

Session | **Location:** Swansea University, Singleton Park Campus | **Conveners:** Ed Bennett, Gaurav Ray

17:00

Tuesday 30 June

09:00

Workshop: Automated testing of particle physics software

Session | **Location:** Swansea University, Singleton Park Campus | **Conveners:** Andrew Lister, Benjamin Morgan

12:00

14:00

Workshop: Workflow management for particle physics data analysis

Session | **Location:** Swansea University, Singleton Park Campus | **Conveners:** Ed Bennett, Gaurav Ray

17:00

Wednesday 1 July

09:00

Workshop: Automated testing of particle physics software

Session | **Location:** Swansea University, Singleton Park Campus | **Conveners:** Benjamin Morgan, Andrew Lister

12:00

14:00

Workshop: Automated testing of particle physics software

Session | **Location:** Swansea University, Singleton Park Campus | **Conveners:** Andrew Lister, Benjamin Morgan

15:30

15:30

Workshop: Documentation of particle physics software

Session | **Location:** Swansea University, Singleton Park Campus | **Convener:** Andrew Lister

17:00

Thursday 2 July

09:00

Workshop: Workflow management for particle physics data analysis

Session | **Location:** Swansea University, Singleton Park Campus | **Conveners:** Gaurav Ray, Ed Bennett

11:00

11:00

Workshop: Documentation of particle physics software

Session | **Location:** Swansea University, Singleton Park Campus | **Convener:** Andrew Lister

12:00

14:00

Workshop: Documentation of particle physics software

Session | **Location:** Swansea University, Singleton Park Campus | **Convener:** Andrew Lister

15:30

Friday 3 July

09:00

Workshop: High performance techniques

Session | **Location:** Swansea University, Singleton Park Campus | **Convener:** Andrew Lister

12:00

14:00

Workshop: Preparing technical assessments for computing time

Session | **Location:** Swansea University, Singleton Park Campus

16:00
