

## **Session Program**

**25 February 2026**

# **SHAREing Performance Monitoring of Accelerated Compute Workshop**

## ***Workshop***

HYBRID—Zoom, or: Swansea University, Bay Campus, Computational Foundry 101  
Computational Foundry Bay Campus Fabian Way Swansea SA1 8EN

# Wednesday 25 February

10:30

## Workshop: Welcome and introduction

Session |

11:00

**Location:** HYBRID—Zoom, or: Swansea University, Bay Campus, Computational Foundry 101, Computational Foundry Bay Campus Fabian Way Swansea SA1 8EN

11:00

## Workshop: Current practice: presentations from HPC centres and discussion

Session |

12:15

**Location:** HYBRID—Zoom, or: Swansea University, Bay Campus, Computational Foundry 101, Computational Foundry Bay Campus Fabian Way Swansea SA1 8EN

13:15

## Workshop: What tools are available? Presentations from tooling authors and vendors

Session |

14:45

**Location:** HYBRID—Zoom, or: Swansea University, Bay Campus, Computational Foundry 101, Computational Foundry Bay Campus Fabian Way Swansea SA1 8EN

15:15

## Workshop: Where do we go next? Reflective discussions and hackathon ideation

Session |

16:45

**Location:** HYBRID—Zoom, or: Swansea University, Bay Campus, Computational Foundry 101, Computational Foundry Bay Campus Fabian Way Swansea SA1 8EN
