

Session Program

5-6 Mar 2026

LIGO INDIA

Hosted by LIGO-India Education & Public Outreach
& Inter-University Centre for
Astronomy and Astrophysics

GLORIOUS
WOMEN
Symposium
5-6 MARCH 2026

Online event

Highlighting contributions from women scientists in Gravitational Wave Astronomy

Eminent speakers from the global collaboration

Focus sessions on Multi-disciplinary GW Science

Panel Discussion on "Women representation in GW Science"

Interaction session "Ask a Woman GW Scientist"

Organisers: Debarati Chatterjee (IUCAA, Pune, India)
Anuradha Gupta (University of Mississippi, USA)

Glorious Women Symposium

Session 1: (Plenary) Gravitational wave science: the global collaboration

Online

Thursday 5 March

17:00

Session 1: (Plenary) Gravitational wave science: the global collaboration

Session | Location: Online

17:00-17:05 **Welcome address**

Speaker

Debarati Chatterjee

17:05-17:30 **LIGO-India Scientific Collaboration**

Speaker

Archana Pai

17:30-18:00 **OzGrav: Australia's contribution to Gravitational Wave Research**

Speaker

Ju Li

18:00-18:30 **Virgo Collaboration: Women also DO science**

Speaker

Isabel Cordero-Carrion

18:30-19:00 **LISA: The Mission, The Consortium, and Women Scientists' Role**

Speaker

Andreea Monica Scorta

19:00-19:30

The International Pulsar Timing Array and the Dawn of Low-Frequency Gravitational Wave Astronomy

Speaker

Maura McLaughlin

19:30
