

Session Program

Mar 5 - 6, 2026

LIGO INDIA Hosted by LIGO-India Education & Public Outreach & Inter-University Centre for Astronomy and Astrophysics

GLORIOUS WOMEN Symposium 5-6 MARCH 2026

Online event

Highlighting contributions from women scientists in Gravitational Wave Astronomy

Eminent speakers from the global collaboration

Focus sessions on Multi-disciplinary GW Science

Panel Discussion on "Women representation in GW Science"

Interaction session "Ask a Woman GW Scientist"

Organisers: Debarati Chatterjee (IUCAA, Pune, India) Anuradha Gupta (University of Mississippi, USA)

Glorious Women Symposium

Session 1: (Plenary) Gravitational wave science: the global collaboration

Online

Thu, March 5

5:00 PM

Session 1: (Plenary) Gravitational wave science: the global collaboration

Session | Location: Online

5:00 - 5:05 PM **Welcome address**

Speaker

Debarati Chatterjee

5:05 - 5:30 PM **LIGO-India Scientific Collaboration**

Speaker

Archana Pai

5:30 - 6:00 PM **OzGrav: Australia's contribution to Gravitational Wave Research**

Speaker

Ju Li

6:00 - 6:30 PM **Virgo Collaboration: Women also DO science**

Speaker

Isabel Cordero-Carrion

6:30 - 7:00 PM **LISA: The Mission, The Consortium, and Women Scientists' Role**

Speaker

Andreea Monica Scorta

7:00 - 7:30 PM

The International Pulsar Timing Array and the Dawn of Low-Frequency Gravitational Wave Astronomy

Speaker

Maura McLaughlin

7:30 PM
