

Session Program

5-6 Mar 2026

Hosted by LIGO-India Education & Public Outreach & Inter-University Centre for Astronomy and Astrophysics

GLORIOUS WOMEN
Symposium
5-6 MARCH 2026

Online event

Highlighting contributions from women scientists in Gravitational Wave Astronomy

Eminent speakers from the global collaboration

Focus sessions on Multi-disciplinary GW Science

Panel Discussion on "Women representation in GW Science"

Interaction session "Ask a Woman GW Scientist"

Organisers: Debarati Chatterjee (IUCAA, Pune, India)
Anuradha Gupta (University of Mississippi, USA)

The poster features a large profile of a woman's head filled with a diverse crowd of women's faces, symbolizing the global reach and focus on women in gravitational wave astronomy.

Glorious Women Symposium

Session 2: Panel discussion on “Women representation in GW Science”

Online

Thursday 5 March

19:30
21:00

Session 2: Panel discussion on “Women representation in GW Science”

Session | **Location:** Online
