

UNIVERSITY OF MARYLAND, COLLEGE PARK

Dear members of the lattice field theory and adjacent communities,

As we eagerly look forward to welcoming you in Maryland for Lattice 2026, we would like to share with you further practical information about the conference:

1) **Abstract submission is open.** The submission remains open until 11:59 pm ET on **June 29, 2026**. To submit your abstract, please use the link: <https://indico.global/event/16565/abstracts/> and note that you need to complete the indico registration to submit an abstract.

2) **Nominations are welcome for the Kenneth Wilson Award for Excellence in Lattice Field Theory.** For instructions, please visit <https://indico.global/event/16565/page/5334-wilson-award>. The nomination deadline is **May 31, 2026**, and the nomination package must be sent to Ruth Van de Water (the Selection Committee Chair) at [ruthv@fnal.gov](mailto:ruthv@fnal.gov).

3) If you have not yet officially registered for the conference, please make sure to use the link <https://go.umd.edu/lattice2026registration> to register, pay the registration fee, request a visa letter, or pay for extra offerings, including on-campus accommodation. Important dates include:

- Conference registration:

- ~~Early bird registration until 11:59 pm ET on March 20, 2026~~
- General registration until 11:59 pm ET on **June 29, 2026**
- Late registration until 11:59 pm ET on July 9, 2026

- Cancellation:

- Cancel registration, housing package, or additional purchases with refund (minus a 3% processing fee) until 11:59 pm ET on July 9, 2026

4) Contact information and inquiries:

- For programmatic questions and special accommodations, please contact the LOC at [lattice2026@umd.edu](mailto:lattice2026@umd.edu).

- For registration, visa letter, payment, on-campus accommodation, and other related issues, please contact the registration team at [lattice2026registration@umd.edu](mailto:lattice2026registration@umd.edu).

Best,  
Zohreh Davoudi, on behalf of the LOC
