5-8 May 2026 - Visby, Gotland

Welcome to Visby

we have an exciting week of nuclear physics and social activities ahead of us!

TUE 5/5	 13° 4°	Plenty of sunshine  Clear
WED 5/6	 11° 2°	Mostly sunny  Mainly clear and chilly
THU 5/7	 13° 3°	Mostly sunny  Clear
FRI 5/8	 12° 4°	Increasing cloudiness  Clouds breaking

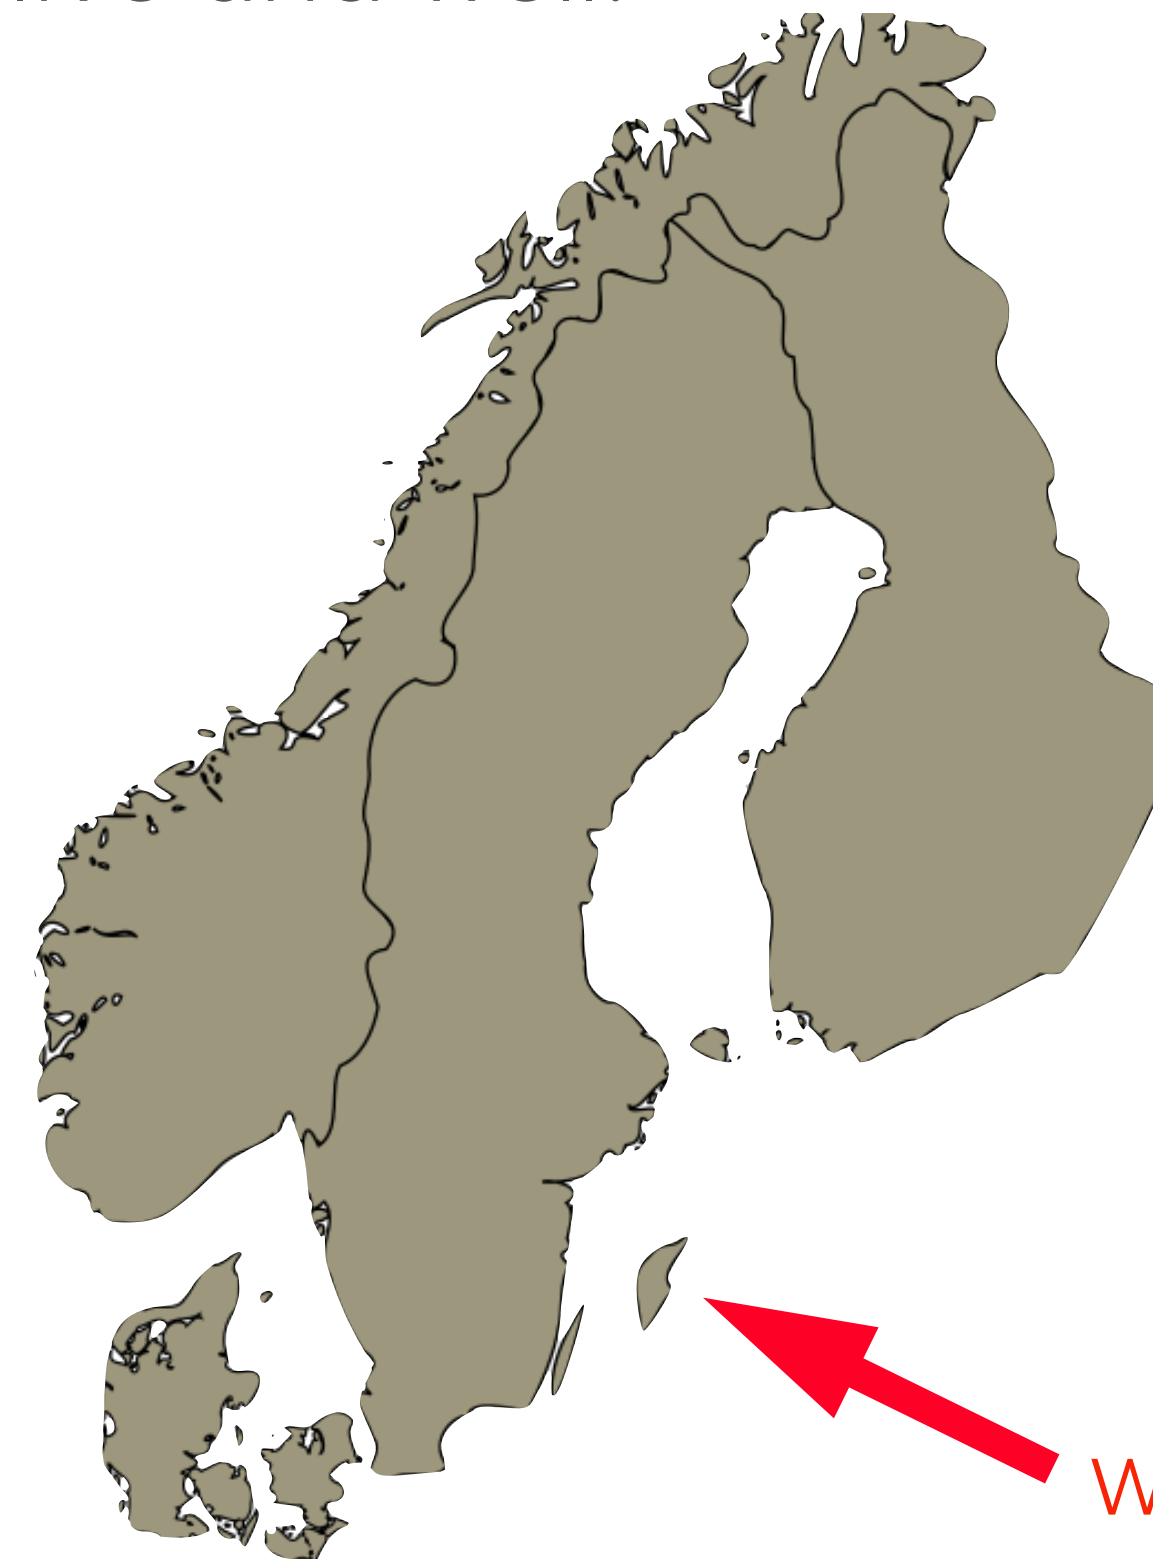

Gotland is famously one of the sunniest places in Sweden ...

73 registered participants!

The nordic nuclear physics community is alive and well!

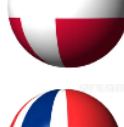

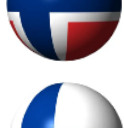

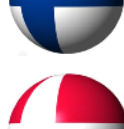

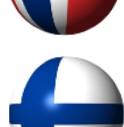

Nordic organizing and program committee

- Paul Greenlees, University of Jyväskylä
- Hans Fynbo, Aarhus University
- Vetle Wegner Ingeberg, University of Oslo
- Ann-Cecilie Larsen, University of Oslo
- Stephan Pomp, Uppsala University
- Sunniva Siem, University of Oslo

The Nordic Meetings on Nuclear Physics

a long history of Nordic collaboration

Invited Speakers

Gillis Carlsson, Lund University

Andreas Heinz, Chalmers University of Technology

Erik Jensen, Chalmers University of Technology

Anu Kankainen, University of Jyväskylä

Henna Kokkonen, University of Jyväskylä

Arjan Koning, IAEA

Maria Markova, University of Oslo

Wanja Paulsen, University of Oslo

Stéphane Pietri, GSI

Johan Rathsman, Lund University

Mikael Reponen, University of Jyväskylä

Karsten Riisager, Aarhus University

Sunniva Siem, University of Oslo

You Zhou, Niels Bohr Institute

See the indico page for the most recent scientific program

Social program: Football tournament

- Tuesday 5 May: 17:45 - 19:30
- Södergravar Visby Fotbollsplan
Södertorg 2C, 621 57 Visby

Excursion into the medieval town of Visby!

- Historical tour with guide in old town of Visby: 1,5 hours
- **RING WALL, ROSES AND RUINS:**
“This is our most popular city walk! Visby has a long and fascinating history. Join a guided walk where Gotland Museum’s knowledgeable guides share the most exciting stories from all of Visby’s eras: about the medieval street layout, the ruins, the ring wall, the flourishing Hanseatic League, and the people who lived here.”
- We meet in front of the hotel on Wednesday at 14:00.

Dinner

- Lunches are included in the fee, Tuesday-Thursday at Strand hotel.
- The conference dinner will take place on Thursday May 7, at 7 pm, at Donners Event Mellangatan 9, Visby.
- We will be escorted from the conference venue to the restaurant by Riddare Bagge (meet outside Strand hotel at 18.30)

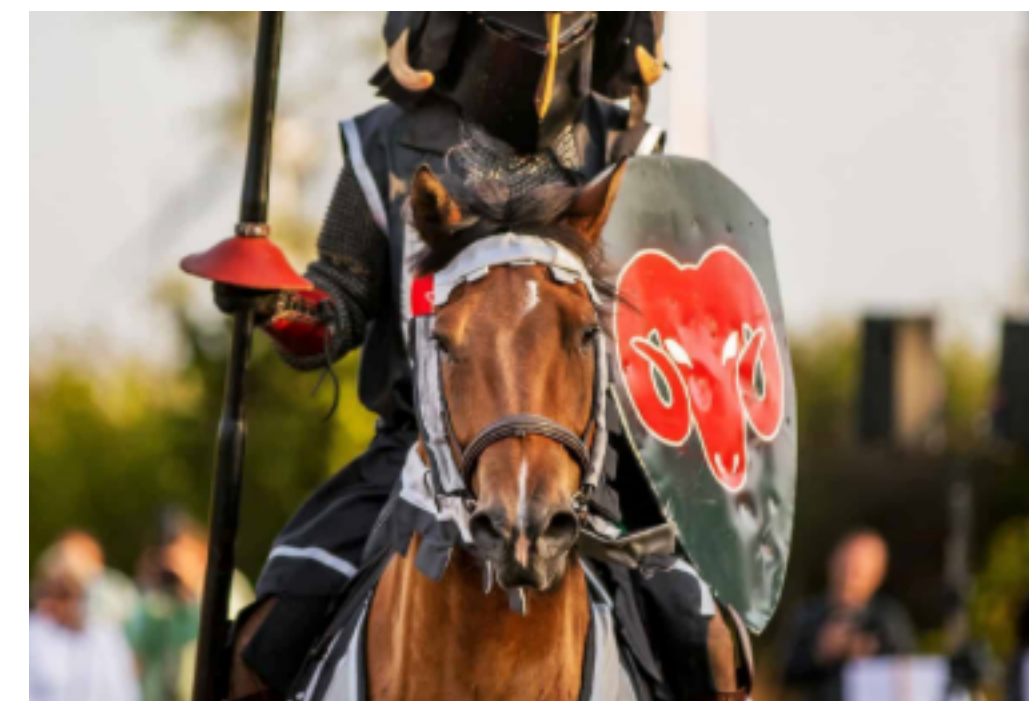

- Menu:

Starter: Asparagus, hollandaise sauce, fried capers, herbs

Main course: Arctic char (Fjällröding), beurre blanc, thinly sliced apple salad, tossed new potatoes

Dessert: Saffron pancake, wild berries (salmbär) jam, whipped cream

- Beverage package (alcohol free options available).

General information

- Please use the conference laptop (Mac) for presentations, as this will ensure smooth transitions between speakers.
Make sure to upload your presentations to indico, or bring it on a USB stick well in advance.
- An unusually broad audience (applied, experimental, and theoretical developments on topics focusing on energy and medical applications, accelerators and instrumentation, nuclear and hadron structure physics, heavy-ion physics, and fundamental symmetries)
- Coffe is served in the Hotel main building.
- We have a tight scientific program, and we encourage all sessions chairs to be firm (and fair!).
Please keep within the allocated time of your talks
 - *Invited talks 20'+5'*
 - *Contributed talks 12'+3' and 15'+5'*
 - *Flash talks, 5'+2'*
