

The Todorov Foundation: Mission and honors

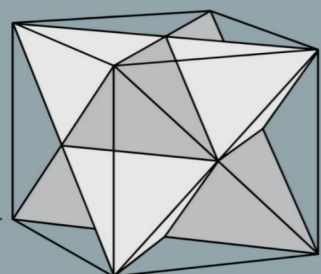

Todorov Foundation
www.TodorovFoundation.org

(Mission)

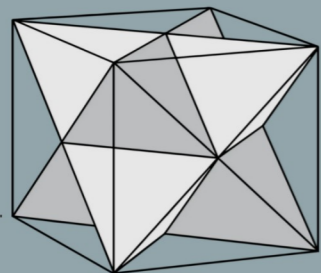

- Advancing the fields of mathematics and mathematical physics in Bulgaria.
- Fostering the creation of outstanding literary works in the Bulgarian language.

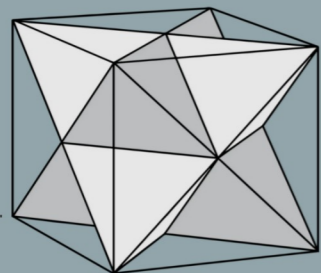

(Honors - Math)

- The “**Academician Ivan T. Todorov**” Distinction
- Awarded for exceptional achievements in mathematical physics and mathematics to researchers based primarily in Bulgaria, who actively contribute to the advancement of Bulgarian science.

(Honors - Literature)

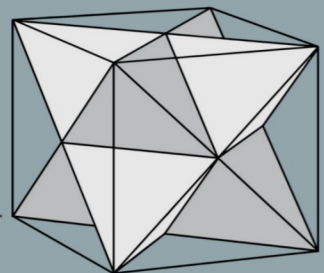

- The “**Professor Todor Borov**” Distinction
- Named in honor of Ivan Todorov’s father—a renowned bibliographer, poet, and public figure—is conferred for significant contributions to belles-lettres, recognizing authors who have left a lasting mark on Bulgarian poetry and prose.

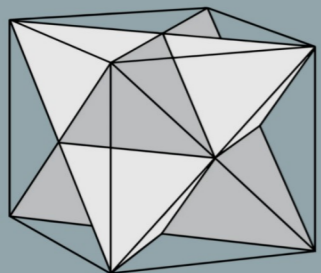

(Timeline / Process)

- Awarded **biennially**, commencing in 2025.
- For the 2025 and 2027 cycles, the recipients have been designated by Prof. Todorov himself.
- Subsequently, future laureates will be proposed by a jury composed of past awardees.
