Announcements + Poster Prize Winners

Seth Zenz

Announcements

- Thanks to everyone for a wonderful conference so far!
- Closing session tomorrow is cancelled – it normally focuses on poster prizes, but we are doing that now.
- Final event of the conference will be coffee Friday 15:00-15:30
- Certificates of Attendance and Receipt for Payment
 - I think I have provided all of these that were requested
 - If you need a document, please email me what is required
 - Please specify and mark as urgent if you need a physical signed copy – otherwise you will get a PDF by email
- Purchase Orders and requests for payment invoices
 - Will be processed next week

Poster Prizes

- Best presentation – £100 voucher
- Best technical results – £100 voucher
- Thanks to Mariana Jeunon for organizing the judging, and for all the LOC and NOC members who helped look at posters!

Winner, Best Presentation

- Early Performance Results of the CMS Phase-2 Tracker Cosmic Test Stand [5]
 - Andrew Mastronikolis
- Feedback:
 - “Poster: completely understandable on its own. In person: clear and enthusiastic, with many more details about what's to come.”

Winner, Best Technical Results

- Future Detector Materials for X-ray Photon Science Applications [13]
 - Matthew Veale
- Feedback:
 - “Excellent level of detail throughout and clear results”
 - "In person, very clear and enthusiastic explanation."

Want feedback on your poster?

- We have collected comments and suggestions for improvement from the judges for posters
- This will be sent on request
 - Send email to s.zenz@qmul.ac.uk

Thanks to all our poster presenters and speakers!
