

Lattice 2027

Nicosia, Cyprus

20-26 June 2027

Cyprus

Nicosia

The 16th century 4.8 km Venetian walls are considered among the best-preserved Venetian defenses in the Eastern Mediterranean

- **Majority of Higher educational institutions**

Nicosia boasts a wealth of educational institutions, including universities and research institutes.

- **Rich History**

Nicosia is shaped by the legacy of several civilizations over the centuries. It is the only divided capital in Europe.

- **Flight Connectivity**

55 Km from the main international airport in Larnaca with public transport from the airport

Local organizing committee

Constantia Alexandrou
University of Cyprus
Chair

Haris Panagopoulos
University of Cyprus

Gregoris Spanoudes
University of Cyprus

Andreas Efstathiou
European University
Co-chair

Giannis Koutsou
The Cyprus Institute
Co-chair

Simone Bacchio
The Cyprus Institute

Andreas Athenodorou
The Cyprus Institute

Kostas Blekos
The Cyprus Institute

Martha Constantinou
Temple university

Nazario Tantalo
Rome Tor Vergata

Gert Aarts
Bielefeld

Organizing Institutions

- University of Cyprus (UCY) through its Department of Physics (Host)

- European University Cyprus through its School of Sciences (Co-host)

- The Cyprus Institute through its research center CaSToRC (Co-host)

LATTICE 2027
The 44th International Symposium
on Lattice Field Theory

From UCY to venue: Buses will be provided

Registration fees

Dates/Host City	Early Registration	Late Registration
Attendee	470€	520€
Student	380€	420€

Registration fees include:

- the conference dinner and excursion,
- light lunches,
- a welcome reception,
- a poster session with beer and snacks,
- coffee breaks and
- the conference T-shirt.

Indicative accommodation rates

Category	Single Room	Double Room	Available Units	Breakfast
5 Star Hotels	190-220€	210-240€	120	Included
4 Star Hotels	140-170€	150-190€	70	Included
3 Star Hotels	80-120€	90-140€	120	Included
Budget Accommodation	70-90€	80-100€	80	-
European Univ. halls	60€		50	-
UCY Dormitories	20-25€		100	-

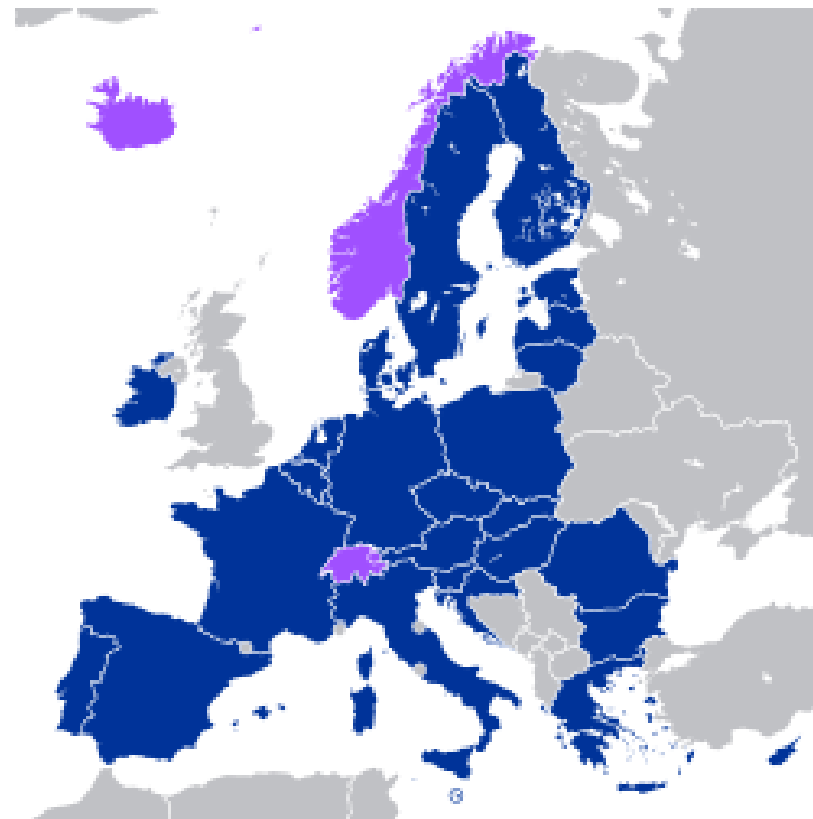

For UCY dorms see: <https://www.ucy.ac.cy/aasw/home/student-welfare/housing-office/student-halls/?lang=en>

Visa Requirements

- ✓ The Republic of Cyprus is a full member of the European Union, and the Eurozone.
- ✓ No visa is required for EU and EEA countries.
- ✓ Residents of another 51 non-EU and non-EEA countries require no visas, e.g. citizens of Australia, Canada, Japan, South Korea, UK, USA, for more see: <https://tinyurl.com/25b87njin>
- ✓ Visas can be issued by all Embassies, General Consulates, and Honorary Consulates of the Republic of Cyprus.
- ✓ Visas can also be issued by the British High Commissions/ Embassies in the following countries: Argentina, Jordan, Switzerland, Bahrain, Kazakhstan, Sudan, Hong Kong, Kuwait, UAE, Japan, Oman, and Uzbekistan.

EU and EEA countries

The 44th International Symposium on Lattice Field Theory (Lattice 2027) will be held in Cyprus. This annual international conference brings together scientists who specialize in the numerical evaluation of quantum field theories. The conference primarily focuses on the latest theoretical and algorithmic developments in Lattice Gauge Theory, and in particular in the lattice formulation of Quantum Chromodynamics (QCD).

As high-performance computing is an integral part of lattice QCD simulations, the conference includes discussions on software advancements, hardware innovations, and algorithmic developments. More recently, the conference covers areas, such as computing architectures, artificial intelligence and machine learning, and algorithms for quantum computing.

Starts Jun 20, 2027, 5:00 PM
Ends Jun 26, 2027, 2:00 PM
Asia/Nicosia

Satellite events

- 14-19 Jun 2027: *Lattice practices*, co-organized with DESY-Zeuthen and Research Center Julich
- 16-19 Jun 2027: Topical workshop on *Spectral densities for precision flavor physics*, co-organized with Rome Tor Vergata

Venue: University of Cyprus

Accommodation: UCY dorms + hotels

Look forward to welcoming you to Cyprus in 2027
