

Dear Colleagues,

We are pleased to announce the **44th International Symposium on Lattice Field Theory (Lattice 2027)**, which will take place in **Nicosia, Cyprus, from 20–26 June 2027**.

We will also organize two satellite events during the week preceding the conference that may be of interest to you:

- **Lattice Practices 2027**, 14–19 June 2027 — a school for early-career researchers, co-organized with Forschungszentrum Jülich and DESY Zeuthen.
- **Workshop on Spectral Densities for Flavor Physics**, 16–19 June 2027 — co-organized with the University of Rome “Tor Vergata”.

Information regarding visa requirements is available on the conference website under “Visa Requirements”: [Lattice 2027 conference website](#)

If you require an invitation letter to obtain a visa, please complete the visa information form on the website with your details as soon as possible, so that we can process visa support requests in a timely manner.

We look forward to welcoming you to Nicosia in June 2027.

On behalf of the Local Organizing Committee,
Constantia Alexandrou
