

Session Program

11-13 May 2026

MUSES 2026 Annual Workshop

Morning 1

UIUC Loomis Laboratory of Physics, 236
1110 West Green Street Urbana, IL 61801

Monday 11 May

09:00

Morning 1: Morning session

Session | **Location:** UIUC Loomis Laboratory of Physics, 236, 1110 West Green Street Urbana, IL 61801

09:00–10:30 **Nico + Andrew Cyber. The past**

Speakers

Prof. Nicolas Yunes, T. Andrew Manning

10:30

11:00

Morning 1: Morning Talks

Session | **Location:** UIUC Loomis Laboratory of Physics, 236, 1110 West Green Street Urbana, IL 61801

11:00–11:45 **Should we care about critical points?**

Speaker

Rene Bellwied

12:30

15:30

Morning 1: Afternoon Discussion

Session | **Location:** UIUC Loomis Laboratory of Physics, 236, 1110 West Green Street Urbana, IL 61801

15:30–17:00 **The MUSES User's experience**

Speaker

Joaquin Grefa

17:00

Tuesday 12 May

09:00

Morning 1: Morning Session

Session | **Location:** UIUC Loomis Laboratory of Physics, 236, 1110 West Green Street Urbana, IL 61801

09:00–10:30 The Present

Speakers

Claudia Ratti, Prof. Veronica Dexheimer

10:30

11:00

Morning 1: Morning Talks

Session | **Location:** UIUC Loomis Laboratory of Physics, 236, 1110 West Green Street Urbana, IL 61801

11:00–11:45 Recent NS discoveries we should care about

Speaker

Prof. Carl Haster

11:45–12:30 Discussion of Physics discoveries on NSs

Speakers

Dr Isaac Legred, Mateus Reinke Pelicer

12:30

15:30

17:00

Morning 1: Afternoon Discussion

Session | **Location:** UIUC Loomis Laboratory of Physics, 236, 1110 West Green Street Urbana, IL 61801

Wednesday 13 May

09:00

Morning 1: Morning Session

Session | **Location:** UIUC Loomis Laboratory of Physics, 236, 1110 West Green Street Urbana, IL 61801

09:00–10:30

The future. What do we want to do next in terms of NS modules and HI modules? What are we still missing?

Speakers

Prof. Jacquelyn Noronha-Hostler, Prof. Jorge Jose Leite Noronha

10:30

11:00

Morning 1: Morning Talks

Session | **Location:** UIUC Loomis Laboratory of Physics, 236, 1110 West Green Street Urbana, IL 61801

11:00–12:30

the final count down

Speaker

Prof. Nicolas Yunes

12:30

15:30

Morning 1: Afternoon Discussion

Session | **Location:** UIUC Loomis Laboratory of Physics, 236, 1110 West Green Street Urbana, IL 61801

15:30–17:00

Discussion on the future of the Cyberinfrastructure. Burn it to the ground or preserve it?

Speakers

Mateus Reinke Pelicer, Nikolas Cruz Camacho

17:00
