

Session Program

8-11 Sept 2026

CoCoNuT Meeting 2026

Invited talks

University of Southampton, Building 56
Highfield, Southampton, SO17 1BJ, UK

Wednesday 9 September

09:00

Invited talks: 1

Session | **Location:** University of Southampton, Building 56, Highfield, Southampton, SO17 1BJ, UK | **Convener:** Nils Andersson

10:00

09:00–10:00

On the role of rotation and magnetic fields in core-collapse supernovae

Speaker

Martin Obergaulinger

Thursday 10 September

09:00

Invited talks: 2

Session | **Location:** University of Southampton, Building 56, Highfield, Southampton, SO17 1BJ, UK | **Convener:** Miquel Miravet Tenés

10:00

09:00–10:00

Magnetic Fields in Binary Neutron Star Mergers: Challenges in Numerical Simulations

Speaker

Anna Neuweiler
