

**Session Program**

**15-17 Apr 2019**

**Workshop on the Circular Electron-Positron  
Collider**

***Beyond Standard Model I***

Oxford

# Monday 15 April

16:30

## Beyond Standard Model I

**Session** | **Location:** Room 8 | **Conveners:**

LianTao Wang, Zhen Liu, Nikolaos Rompotis, Matthew Philip Mccullough

16:30-17:10

### Future frontiers of precision Higgs physics

**Speaker**

Ian Low

17:10-17:30

### Probing the scale of new physics at e+e- colliders

**Speaker**

Hong-Jian He

17:30-17:50

### Exotic Higgs decays

**Speakers**

LianTao Wang, Zhen Liu

17:50-18:10

### Theory implications of a precision Higgs program

**Speaker**

Christophe Grojean

18:30
