

13th International Conference of the African Materials Research Society (AMRS 2026)

Saturday, 5 December 2026 - Thursday, 10 December 2026

University of Nairobi

Scientific Programme

Biomaterials & Materials for Health

Materials for Agriculture

Materials for Energy

Materials for Construction/Building Infrastructure

Nanotechnology

Materials for Environment, Water, and Sanitation

Materials in Mining and Minerals Processing

**Advanced Materials (New Devices, Quantum
Materials, Optoelectronic Materials)**

Materials for Manufacturing

Artificial Intelligence in Materials Science

**Special Sessions: African Light Source (AfLS) and
UNESCO Chairs**
