

Dark matter across all scales: From large scale structure to laboratory searches

Monday, 11 May 2026 - Monday, 11 May 2026
University of Southern Denmark

Scientific Programme

Astrophysical Dark Matter Searches

Select this track if your contribution is on the topic of astrophysical dark matter searches including indirect detection, Galactic dynamics, and large-scale structure simulations.

Laboratory Dark Matter Searches

Select this track if your contribution is on the topic of laboratory dark matter searches, instrumentation, or detectors.
