

WARWICK WEEK Close-Out

Thank you for attending Warwick Week.

I hope that the lecture material was

- ⦿ specific enough to help with your project and/or
- ⦿ general enough to give you an interesting overview of other fields of research and, perhaps most of all,
- ⦿ Interesting enough to teach you something new!

Good luck in your PhD!

Feedback form is linked to the Indico site

Congratulations on getting to the end – and thank you for your engagement.
