

**Session Program**

**25 April 2022 to 24 June 2022**

**Advanced UK Instrumentation Training 2022**

***Software tools***

## Tuesday 24 May

15:00

16:00

### Software tools

#### Session

15:00–16:00 **PCB design - KiCAD 1**

#### Speaker

Daniel Weatherill

## Friday 27 May

11:00

12:00

### Software tools

#### Session

11:00-12:00

#### PCB design - KiCAD 2

#### Speaker

Daniel Weatherill

## Tuesday 31 May

15:00

16:00

### Software tools

#### Session

15:00–16:00

#### SPICE simulations - LTSpice 1

#### Speaker

Weida Zhang

## Tuesday 7 June

15:00

16:00

### Software tools

#### Session

15:00–16:00

#### SPICE simulations - LTSpice 2

#### Speaker

Weida Zhang

## Friday 10 June

11:00

12:00

### Software tools

#### Session

11:00–12:00

#### Monte Carlo Simulations - Allpix squared 1

##### Speaker

Daniel Hynds

## Tuesday 14 June

15:00

16:00

### Software tools

#### Session

15:00–16:00

### Monte Carlo Simulations - Allpix squared 2

#### Speaker

Daniel Hynds

## Tuesday 21 June

14:00

### Software tools

#### Session

14:05–15:05

#### Testbeam reconstruction - Corryvreckan 1

**Speaker**

Kenneth Gibb Wraight

16:05

15:05–16:05

#### Testbeam reconstruction - Corryvreckan 2

**Speaker**

Kenneth Gibb Wraight
