

Session Program

1-12 Jul 2024

UK HEP Instrumentation Summer School

Device simulations

Tuesday 2 July

09:00

Device simulations: Group A

Session | Location: Denys Wilkinson Building, computer teaching lab

10:30

11:00

Device simulations: Group A

Session | Location: Denys Wilkinson Building, computer teaching lab

12:30

13:30

Device simulations: Group A

Session | Location: Denys Wilkinson Building, computer teaching lab

15:00

15:30

Device simulations: Group A

Session | Location: Denys Wilkinson Building, computer teaching lab

17:00

Wednesday 3 July

09:00

Device simulations: Group A

Session | **Location:** Denys Wilkinson Building, computer teaching lab

10:30

11:00

Device simulations: Group A

Session | **Location:** Denys Wilkinson Building, computer teaching lab

12:30

13:30

Device simulations: Group A

Session | **Location:** Denys Wilkinson Building, computer teaching lab

15:00

15:30

Device simulations: Group A

Session | **Location:** Denys Wilkinson Building, computer teaching lab

17:00

Thursday 4 July

09:00

Device simulations: Group D

Session | **Location:** Denys Wilkinson Building, computer teaching lab

10:30

11:00

Device simulations: Group D

Session | **Location:** Denys Wilkinson Building, computer teaching lab

12:30

13:30

Device simulations: Group D

Session | **Location:** Denys Wilkinson Building, computer teaching lab

15:00

15:30

Device simulations: Group D

Session | **Location:** Denys Wilkinson Building, computer teaching lab

17:00

Friday 5 July

09:00

Device simulations: Group D

Session | **Location:** Denys Wilkinson Building, computer teaching lab

10:30

11:00

Device simulations: Group D

Session | **Location:** Denys Wilkinson Building, computer teaching lab

12:30

13:30

Device simulations: Group D

Session | **Location:** Denys Wilkinson Building, computer teaching lab

15:00

15:30

Device simulations: Group D

Session | **Location:** Denys Wilkinson Building, computer teaching lab

17:00

Monday 8 July

09:00

Device simulations: Group C

Session | **Location:** Denys Wilkinson Building, computer teaching lab

10:30

11:00

Device simulations: Group C

Session | **Location:** Denys Wilkinson Building, computer teaching lab

12:30

13:30

Device simulations: Group C

Session | **Location:** Denys Wilkinson Building, computer teaching lab

15:00

15:30

Device simulations: Group C

Session | **Location:** Denys Wilkinson Building, computer teaching lab

17:00

Tuesday 9 July

09:00

Device simulations: Group C

Session | Location: Denys Wilkinson Building, computer teaching lab

10:30

11:00

Device simulations: Group C

Session | Location: Denys Wilkinson Building, computer teaching lab

12:30

13:30

Device simulations: Group C

Session | Location: Denys Wilkinson Building, computer teaching lab

15:00

15:30

Device simulations: Group C

Session | Location: Denys Wilkinson Building, computer teaching lab

17:00

Wednesday 10 July

09:00

Device simulations: Group B

Session | Location: Denys Wilkinson Building, computer teaching lab

10:30

11:00

Device simulations: Group B

Session | Location: Denys Wilkinson Building, computer teaching lab

12:30

13:30

Device simulations: Group B

Session | Location: Denys Wilkinson Building, computer teaching lab

15:00

15:30

Device simulations: Group B

Session | Location: Denys Wilkinson Building, computer teaching lab

17:00

Thursday 11 July

09:00

Device simulations: Group B

Session | **Location:** Denys Wilkinson Building, computer teaching lab

10:30

11:00

Device simulations: Group B

Session | **Location:** Denys Wilkinson Building, computer teaching lab

12:30

13:30

Device simulations: Group B

Session | **Location:** Denys Wilkinson Building, computer teaching lab

15:00

15:30

Device simulations: Group B

Session | **Location:** Denys Wilkinson Building, computer teaching lab

17:00
