

**Session Program**

**1-12 Jul 2024**

**UK HEP Instrumentation Summer School**

***Amplifiers and electronics***

## Tuesday 2 July

09:00

10:30

11:00

12:30

13:30

15:00

15:30

17:00

### Amplifiers and electronics: Group B

Session | Location:

### Amplifiers and electronics: Group B

Session | Location:

### Amplifiers and electronics: Group B

Session | Location:

### Amplifiers and electronics: Group B

Session | Location:

## Wednesday 3 July

09:00

### Amplifiers and electronics: Group B

Session | Location:

10:30

11:00

### Amplifiers and electronics: Group B

Session | Location:

12:30

13:30

### Amplifiers and electronics: Group B

Session | Location:

15:00

15:30

### Amplifiers and electronics: Group B

Session | Location:

17:00

## Thursday 4 July

09:00

### Amplifiers and electronics: Group A

Session | Location:

10:30

11:00

### Amplifiers and electronics: Group A

Session | Location:

12:30

13:30

### Amplifiers and electronics: Group A

Session | Location:

15:00

15:30

### Amplifiers and electronics: Group A

Session | Location:

17:00

Friday 5 July

09:00	<b>Amplifiers and electronics: Group A</b> Session   Location:
10:30	
11:00	<b>Amplifiers and electronics: Group A</b> Session   Location:
12:30	
13:30	<b>Amplifiers and electronics: Group A</b> Session   Location:
15:00	
15:30	<b>Amplifiers and electronics: Group A</b> Session   Location:
17:00	

## Monday 8 July

09:00

10:30

11:00

12:30

13:30

15:00

15:30

17:00

**Amplifiers and electronics: Group D**

Session | Location:

**Amplifiers and electronics: Group D**

Session | Location:

**Amplifiers and electronics: Group D**

Session | Location:

**Amplifiers and electronics: Group D**

Session | Location:

## Tuesday 9 July

09:00

10:30

11:00

12:30

13:30

15:00

15:30

17:00

**Amplifiers and electronics: Group D**

Session | Location:

**Amplifiers and electronics: Group D**

Session | Location:

**Amplifiers and electronics: Group D**

Session | Location:

**Amplifiers and electronics: Group D**

Session | Location:

## Wednesday 10 July

09:00

### Amplifiers and electronics: Group C

Session | Location:

10:30

11:00

### Amplifiers and electronics: Group C

Session | Location:

12:30

13:30

### Amplifiers and electronics: Group C

Session | Location:

15:00

15:30

### Amplifiers and electronics: Group C

Session | Location:

17:00

## Thursday 11 July

09:00

10:30

11:00

12:30

13:30

15:00

15:30

17:00

**Amplifiers and electronics: Group C**

Session | Location:

**Amplifiers and electronics: Group C**

Session | Location:
