The 2nd Southeast Asian Workshop on Nuclear and Hadron Physics (SEA-NHP 2026)

Dear Colleagues,

We are pleased to announce **The 2nd Southeast Asian Workshop on Nuclear and Hadron Physics (SEA-NHP 2026)**, which will take place at **Khon Kaen University, Khon Kaen, Thailand**, on **December 1–5, 2026**.

This workshop aims to bring together researchers from across Southeast Asia and neighboring regions to discuss a broad range of topics, including:

- Hadron spectroscopy and structure
- Hadrons in nuclear matter
- Nuclear structure and reactions
- Nuclear astrophysics
- Standard Model and Beyond

We invite interested researchers, including students and early-career scientists, to participate and contribute to the discussions.

Khon Kaen is one of the major academic centers in Thailand and is accessible via **Khon Kaen International Airport (KKC)**, which connects to Bangkok and other domestic destinations. A variety of hotels and accommodations are available near the university campus.

For more information, please visit the workshop website: <https://indico.global/event/18065/>

Researchers and students are welcome to participate. Registration and abstract submission are now open through the workshop website, with deadlines of September 30, 2026, and October 31, 2026, respectively. Limited financial support is available for students from Southeast Asian countries; applications (CV, recommendation letter, and motivation letter) should be submitted to Daris Smart by August 31, 2026.

We look forward to your participation and hope to see you in Khon Kaen!

Best regards,

Organizing Committee

- Daris Samart (Khon Kaen University, Thailand) — Chair
- Ahmad Jafar Arifi (Japan Atomic Energy Agency, Japan)
- Hyeon-Dong Son (Inha University, South Korea)
