Session Program

22–27 Nov 2026

2026 Workshop on Fixed Field Alternating Gradient Accelerators (FFA'26)

Optics and Dynamics

David Caro Building, Hercus Lecture Theatre
The University of Melbourne

Wednesday 25 November

10:30

Optics and Dynamics

Session | **Location:** David Caro Building, Hercus Lecture Theatre, The University of Melbourne

10:30–10:50 **Beam optics verification for electron VFFA at Kyushu University**

Speaker
Mamori Tanaka

10:50–11:10 **Dynamics Analysis and Field Map Optimization for DA Enhancement in the CSNS FFA Accelerator**

Speaker
Yan Cui

11:10–11:30 **Evaluation of Static Magnet Error Effects and Correction Schemes for the CSNS-FFA**

Speaker
Jianliang Chen

11:30
