EOSC Federation

EOSC Node | Croatia

Purpose of the Node and type of **resources** provided

Purpose

- Integrate Croatia's research ecosystem into the European
- Facilitate Open Science

Services

- Repository infrastructure
- OA infrastructure
- OpenCode.HR
- Cloud Storage / EFSS
- FileSender
- Advanced Computing
- SRCE Academy

Benefits that the Node will bring to the users of the EOSC Federation

Benefits for researchers

- Services aligned with common (EOSC) requirements
- Cross-Border Collaboration
- FAIR sharing of all research outputs

Use Cases

1. EFSS
2. Research software sharing and visibility

Who is behind the Node

Coordinator

srce since 1971 55

Participants

Initiative for Croatian Open Science Cloud (HR-OOZ)

- All public universities
- ERIC representatives
- Ministry, HRZZ
- National lib.
